

ISOLATE ACCESS APPLICATION

All Isolate Access Applications require an acceptance of terms of use for your requested item. The terms are outlined in the *Material Transfer Agreement (MTA)* and *Approved User Acknowledgement (AUA) Form*. Approved Users need to notify the AHMB if they wish to make changes to their terms of use (e.g. use with a Third Party/transfer the material/commercialise). For commercial use, a formal commercial agreement will be initiated in addition to the MTA and AUA.
